Ladies and Gentleman of the World Community:
5/1/00

Now on the dawn of the third millennium, regrettably, our morals and moral responsibilities are in retrograde.

Examples of this are:

1. White Slavery
2. Famine
3. Non-relief to the third country disease victims
4. Official Corruption
5. Police Corruption
6. Police Brutality
7. Police Discrimination
8. Officially sanctioned torture

And worst of all, the politically expedient disregard for these crimes.

Ladies and gentleman please:

Most of us as children had a better image of ourselves than what we are experiencing now. We are capable of better custodianship of this planet than we have demonstrated thus far and let's get our heads out of our asses and let's put them to work!

Sincerely yours,
A very concerned citizen of the planet earth,
A.K.A. Lloyd G. Watkins
